## ***Black Ice***

**by Anne Stuart**

American translator Chloe Underwood becomes involved with arms dealers posing as entrepreneurs. She learns too much and finds herself running for her life with a seductive man she doesn't know if she can trust. (FIC STU)

## ***White Lies***

**by Jayne Ann Krentz**

Clare Lancaster, a member of the Arcane Society, a clandestine group dedicated to psychic investigation, is a virtual human lie detector. She teams up with psychic Jake Salter to figure out who killed her brother-in-law and is trying to take over the society. Check out the second in the series, *Sizzle and Burn*. (FIC KRE)

## ***The Widow***

**by Carla Neggers**

Seven years after her husband dies by falling from a cliff, Abigail Browning is pursuing suspicions that her husband's death was not an accident. While doing so, she becomes involved with a widower who was part of the search-and-rescue team that found her husband's body. In this new relationship, each discovers what they've been looking for since that fateful day. (FIC NEG)

## ***Blue Smoke and Murder***

**by Elizabeth Lowell**

Jill Breck asks Zach Balfour for help after a series of bizarre events culminates in a threat to her life, and as he protects Jill from unseen dangers, they discover the hidden threats that surround them as she is pulled into the darker side of art collecting. (FIC LOW)

## ***Trouble in High Heels***

**by Christina Dodd**

Jilted by her fiancé for another woman, attorney Brandi Michaels spends a night with a handsome Italian stranger who turns out to be a jewel thief—and her firm's new client—and turns to him for help when targeted by a killer. (FIC DOD)
